

# HCHS Week Ahead

December 16 – 20, 2024

I'm not quite sure how we got to the last week of classes for the 2024 portion of the school year so quickly? I guess we must be having fun because as the saying goes, that's how time flies.

The weeks leading into a break are always challenging as it is difficult not to look past them to the break itself. We must remind ourselves the class time this week is equivalent to any other week before or after and the learning opportunities will also be as equally important. Our staff is dedicated to providing meaningful learning experiences and our expectations will be our students continue to be engaged and take advantage of using the time the teachers provide this week.

Beyond the classes this week our Band will be hosting a concert on Wednesday, the Leadership Class has organized a food drive in support of our local food bank and has organized a spirit week with fun activities, including dressing in daily themes, a fun food day along with a scavenger hunt and esti-mystery. Non-perishable food items will be accepted until Wednesday, December 18<sup>th</sup>.

With this being the last message before the holiday break I would like to pause and reflect on the first 4 months of the school year and thank our staff, students, parents, and greater community for the support of our school in its inaugural year. It has been a tremendous amount of work getting it up and running and will continue to be as we head through the year ahead. I know this holiday is a well-deserved one. I hope everyone gets the opportunity to spend some of it with family and friends and to those who celebrate Christmas I would like to wish you a Merry Christmas and a Happy Holidays to everyone!

Sincerely,

Jordan Fenton
