

HCHS Week Ahead

January 27 – 31, 2025

It is hard to believe that we are at the midpoint of the school year and will be transitioning from the first to the second semester this week!

We look forward to making this transition as smooth as possible for students as most have already completed some of their courses at the quarter mark. All students will now be transitioning to a new schedule starting on Thursday when we welcome them all back. This week we will be finishing up inputting students' grades and comments in PowerSchool for their first semester courses and they should be fully updated by the end of the day on Wednesday. We are looking forward to hosting our Parent Council meeting and Connections Society meeting on Monday evening and would like to remind all parents that they are welcome to attend. It will be great to get back into the swing of things for our students and can't wait to see what the second semester will bring.

Lastly, I was reminded by a child psychologist the other day that it takes at least 3 weeks for our students to get settled into their new routines with the new semester. We want to thank everyone for their support and patience as we know that this will be a time of adjustment for everyone.

Sincerely,
Jordan Fenton
