

HCHS Week Ahead

February 3 – 7, 2025

Two days in and everything is moving right along for our second semester.

We would like to thank everyone who was able to attend our Parent Council and Connections Society Meetings. The Connections Society is looking for people who would be interested in supporting their Graduation Sub-Committee. It would also be great to get anyone with any fundraising ideas and ways to help our Connections Society with other projects to support our school like lights and a scoreboard for the turf field project. The next meeting will be on March 24th.

One of the best parts of starting a school from scratch is the ability to try new things or to do things differently. We are looking to partner with our community to support our students in their career exploration. Earlier this year our grade 9 students took part in Take Your Child to Work Day and we are looking to enhance this type of experience for all our students during the week of March 11 -14. These experiences may include touring workplaces, having speakers share about their careers or job shadowing opportunities. If you have or know of someone who has a business or workplace that would be willing to support something like this, please reach out to our school and let us know. We will be in the planning stages of what those four days will look like over the coming weeks.

Our school will be celebrating its official Grand Opening on March 6th when we welcome delegates from the different levels of government who helped to make our school a reality. We are excited to share this event with all our staff and students and will share any details on how our greater school community may be involved.

Sincerely,

Jordan Fenton

This Week:

Feb 5

Treat Day

Upcoming:

Feb 10

Treat Day

Boys Basketball vs CLMS
6 pm

Feb 12

Guest Speaker: Tyler
Smith

Feb 12

Basketball vs Bert Church
