

HCHS Week Ahead

March 10 – 14, 2025

What an amazing example of collaboration both to get our school built and for the celebration of its opening. Thank you to everyone who played a part in either or both.

This week ahead will be an action packed four days for our students. Following the PL Day on Monday, we will host our first Career Exploration Week. The week will focus on learning more about careers and career paths both at our school and off-site.

Field trips have been planned during Career Week on Wednesday next week to tour SAIT, U of C, and Mount Royal. Grade 10 and 11 students who are interested in these tours have been signing up in the front office and bringing field trip permission forms home to be signed. If you are interested in being a volunteer on one of these trips, please just call the front office.

Also, as part of these upcoming Career Days, we are still seeking volunteers who are willing to share their professional journey with students. Volunteers are invited to:

- provide insights into their career path,
- offer information about their profession and the various related careers
- and/or discuss the key traits needed to thrive in today's workforce.

Presentations can range from 15-20 minutes in small groups, having students cycle through presenters, to more in-depth sessions of up to one hour, depending on the content being covered. If you are interested in participating, please contact the school office.

We are looking forward to seeing how this Career Exploration Week can grow and build in the years ahead.

Our Girls Basketball team will cap off the week by hosting the 2A zone championships on Friday & Saturday

On a personal note, I would like to thank our staff and admin team for doing such an amazing job supporting our school in my absence with my having to deal with the unexpected passing of my brother. For this I will be eternally grateful, and I know this is the same compassionate way that they serve our students on a daily basis.

Sincerely,
Jordan Fenton

This Week:

March 10

PL Day – No School for Students

March 12

Gr 9 Vaccination – Catch-up for those who need them

March 11-14

Career Exploration Week

March 12
