

HCHS Week Ahead

March 17 – 21, 2025

And the weather rollercoaster just keeps on rolling...hopefully we have a little more spring like weather as we kick off the week with shamrocks to mark St. Patrick's Day.

With everything being a first as we navigate our inaugural year, it was amazing to hold our first Career Exploration Week. Our students were able to take advantage of job shadowing, seminars about potential careers, field trips to post-secondary institutions and even mock job interviews. Students may not have been able to narrow down exactly what they want to do following their high school years, but some have eliminated things that they don't want to do and that is a great first step. This week was the result of some tremendous organizational undertakings of our staff and collaboration with many community members and we look forward to planning an even bigger and better event for next school year. A huge thank you to everyone who helped to make this week such a success.

Our Girls Basketball Team did an amazing job hosting the 2A Zone Championships, the first championship event to be held in our building. We hope it will be the first of many to showcase the athletic talents of our students. It is great both our Boys and Girls teams made it to the Gold Medal games in their Zone Championships and both earned a silver medal finish, bringing the first medals home to our school.

This week we will tap into a little luck of the Irish as it kicks off on St. Patrick's Day. Our Society group will be hosting a treat day for the students and will also be offering slushie drinks for \$2 for students to purchase on that day to go with their preordered NY Fries.

A quick reminder that all student's fees are now on SchoolCash. Please log into your SchoolCash account and pay your student's fees by using the following link: <https://www.schoolcashionline.com/>

We would like to remind everyone of our upcoming Parent Council Meeting, Parent Teacher Conferences and Spring Photos for any student who hasn't had one taken or would like another for our yearbook.

Sincerely,
Jordan Fenton
