

HCHS Week Ahead

April 28 – May 2, 2025

We're baaaack! It's hard to believe that there is only 7 weeks until the end of regular classes for this school year!

We hope that everyone had a safe and fun break and are now recharged and ready for the sprint to the finish. Although we may be rested and recharged, we also know that our routines will have fallen off when it comes to sleep schedules and cell phone usage so we will need to pack our patience and work together to get back on track over the next few weeks.

Our school has been opened up as a polling station for 14 election polls which has provided a huge cross section of our community a glimpse into our new facility as we welcome them in on Monday. This Wednesday we have some students going to Airdrie to participate in the Unified Sports Event being hosted there along with some of our Gr 9 students taking a field trip to SAIT.

As the warmer weather starts to roll in, we like to remind all of our students that a school is a place for work and so it is important that we all dress for it rather than the beach. Our school is air conditioned so it should be at a comfortable temperature to be in as the mercury begins to rise. Thank you for your understanding and support in this.

Hopefully we will all be back in the swing of things sooner rather than later.

All student's fees are now on SchoolCash. Please log into your SchoolCash account and pay your student's fees by using the following link:
