

HCHS Week Ahead

May 26 – 30, 2025

Is anyone else having a hard time believing we are heading into our last week of May for this school year? It sure feels that way with how busy things are in working on finishing out this school year while doing all the planning for the next.

We had another busy week in the books and would like to congratulate Mason for being the first student in our school's history to earn his way to the Zone Championships in track and field. The rain slicked surface didn't help with the high jump but we would like to thank you for representing our school so well. We would also like to thank our students for working with us in lessening the distractions of their mobile devices. We asked that they be locked away safely in their lockers and it was definitely noticeable there were less devices out in classrooms. Hopefully we can continue to work together to keep the distractions away for the remaining three weeks of regular classes.

This week we will be hosting our final Parent Council Meeting of the school year and would welcome everyone who can make it to join us at 6:30 pm on Monday. Our Grade 9's are getting ready to write the Part A of their Language Arts Provincial Achievement Test on Thursday, kicking off the first of their second semester exams. We will be continuing with our final weeks of regular classes leading up to reassessment period starting on June 17th.

With the weather turning much warmer we are reminding our students that our building is air-conditioned for a comfortable learning environment. This means students can continue to wear clothing for the work environment rather than for the beach, saving that attire for the weekends and the fast approaching summer break.

Sincerely,

Jordan Fenton

This Week:

May 26

Parent Council Meeting
6:30 pm

May 29

Gr 9 ELA PAT Part A

Upcoming:

June 6

OurSchool Parent Survey
Closes

June 12

Gr 9 ELA PAT Part B

June 13

Gr 9 Math PAT Part A

June 16

Last Day of Classes

June 17 – 24

Reassessment Period

June 17

Gr 9 Math PAT Part B

June 18

Gr 9 Social Studies PAT

June 19

Gr 9 Science PAT

OurSCHOOL Parent Survey

May 12th – June 6th

This survey captures parents' perceptions about areas of school climate that are critical to student success. The survey is based on Dr. Joyce Epstein's framework for fostering positive relations between schools and their community and the extensive research highlighting the benefits of parental involvement in their child's learning and their school's governance and activities.
