

HCHS Week Ahead

Sept 8 - 12, 2025

Here we go with our first full week of classes for all our students.

We are working together to get everyone back into their school routines and happy to have everyone back for another year. Our school population continues to grow and we are excited to have all four grades represented now. Our fall school sports are kicking off this week with the RVS Golf Divisionals and tryouts for volleyball. We are also looking for players who want to compete in x-country running as well as girls soccer as part of the fall line-up. Our school is hoping to be able to involve as many students who want to try out football this fall as we run a JV exhibition squad this year before joining the RVS league for next school year.

We will continue to see our enrollment change over the next couple of weeks as more students are moving into the area and some of our current students relocate for hockey opportunities. That said, we have made the adjustments to schedules that we have had the ability to accommodate. While being a smaller school, we are limited in the number of sections of each course we can offer and this limits many changes as it creates a bit of a domino effect.

It is a bit of a balancing act as we are trying to support our students in limiting their distractedness by cell phones on one hand and asking that they bring their own computing device to support their learning. Thank you to those who have been able to navigate this over the first few days. A \$200 chrome book has all the computing power needed to support most class work and the \$1000 cell phone can remain locked away.

Lastly, we would like to thank everyone for supporting our student's safety by using the student drop off zone and student parking lots rather than being in the bus loop. With more students comes more congestion and your support in this has been noticeable.

Sincerely,
Jordan

Twoonies for Terry

Our annual Terry Fox Run will be held on Friday Sept 26th and we are asking all our students and staff to donate as little as \$2 to support cancer research. Donations can be made in person at the office or online through our Terry Fox Horseshoe Crossing High School donation page. An official tax receipt will be issued if you donate through the website.

From our Crossing Connections Society:

We're kicking off the school year with two exciting ways to support our students—and indulge in some delicious eats while you're at it!

🍷 First Treat Day – New York Fries!

Mark your calendars for September 22—our first Treat Day features the ever-popular New York Fries! Crispy, golden, and totally crave-worthy.

📅 Order deadline: September 17

🛒 Order now at HealthyHunger.ca:

- Log in or register
- Select Horseshoe Crossing High School and your grade
- Choose your NYF combo and get ready to indulge!

🦃 One Week Left for Our Fall Fundraiser!

Time is flying! There's just one week left to order your Winter's Turkeys and Farm to School veggie bundles—perfect for Thanksgiving. Every order helps us build our new sports field and enhance student programs.

🛒 Order by Sept 21: indeygo.com/store/shop/8581748373721

🚚 Delivered before Thanksgiving!

Let's make September a month of generosity, school spirit, and seriously good food. Thanks for supporting HCHS!
